NEW IN 2014

For seven decades, the name 'Louis Hotels' has been associated with the hospitality industry, first in Cyprus, then on the Greek Islands. However, the name is the only thing that has remained unchanged.

LOUIS HOTELS

70

YEARS YOUNG

Our history tells a powerful story:

*We don't merely follow the trends –
we actually set them.*

*We not only examine market demands, but
respond to travellers' dreams and convert them
into seaside holidays that are within reach.*

As our name grows older, our spirit gets younger.

To find out how, rediscover... Louis Hotels.

LOUIS HOTELS

are synonymous with

value for money holidays
in Cyprus and on the Greek Islands.

Our hotels are known to provide
friendly island hospitality
and a **local experience**,
enhanced with the service of our
multilingual staff.

Everybody at Louis Hotels shares the belief that
constant innovation

is the only way to remain
*pioneers in the
hospitality industry*

within the Mediterranean region.

In addition, as a group we recognize that

respect for the environment

is a reflection of our

respect for our guests.

Throughout the world of Louis Hotels, the solid foundations of our hospitality are reinforced with a warm and friendly service that ensures a genuine, local experience.

REVIVAL OF FUN AND RELAXATION

Reawakening COMFORT

1 DELUXE STUDIOS

Spacious and modern in design, this room type is perfect for couples, and features superior furnishing, bathrobes, slippers, as well as wine and fruit on arrival. All you need to settle in and feel at home within minutes.

2 FAMILY ROOMS

Extra space and privacy are the key to comfortable family accommodation. Specially designed family rooms with partition or sliding doors allow parents to be close to their children without sacrificing adult moments.

3 SWIM-UP ROOMS

For those who value the privilege of stepping out of the room and into their private pool, our swim-up rooms and suites – most with sliding partition doors – are the luxurious answer.

4 HONEYMOON SELECTION

Honeymooners deserve special treatment – and several Louis hotels are well-equipped to offer it. Our specially designed rooms for newlyweds, provide romantic luxury features from king-sized beds to superior amenities and upgraded services including breakfast in bed.

Rediscover TASTE

speciality restaurants

In addition to the Greek and Cypriot culinary experience, Louis cuisine includes the most popular flavours that today's travellers enjoy. Cos'altro Italian Restaurant, Akakiko Japanese dining and Mura by Akakiko for a more casual oriental meal are incorporated in many Louis hotels.

delicious buffets

Daily spreads cater for everyone, from food fanatics to dedicated vegetarians. The wholesome and hearty buffets with DIY salad bar and a rotation of theme nights 7 days a week from Greek Night to Fish Night, Middle Eastern Night and many others guarantee a new taste adventure every day. All-inclusive and premium all-inclusive options are available.

kids menus

Our family-friendly hotels focus equally on adults and children. Lower buffet stations for the little ones, a children's corner with all the kids' favourites, and a complete children's menu make holiday meals a pleasure for all ages.

local breakfasts

In line with the Greek Breakfast programme, emphasis on fresh and unique local products and dishes allow our guests to discover the gastronomic treasures of each destination.

live cooking

As every chef and foodie knows, the fresher, the better! That's why Louis Hotels enhance every buffet with pizza, barbecues and various pasta dishes freshly prepared on the spot, accommodating personal preferences wherever possible.

THE ROYAL APOLLONIA grand opening

PICTURE TAKEN IN FIG TREE BAY JUST OUTSIDE THE NAUSICAA BEACH HOTEL IN CYPRUS. MY DAUGHTER HANNA IS 9 YEARS OLD AND SHE JUST LOVES THIS PLACE, OUR SECOND TIME AT THIS PARADISE HOTEL!

♥ Sara Johannson

September 28

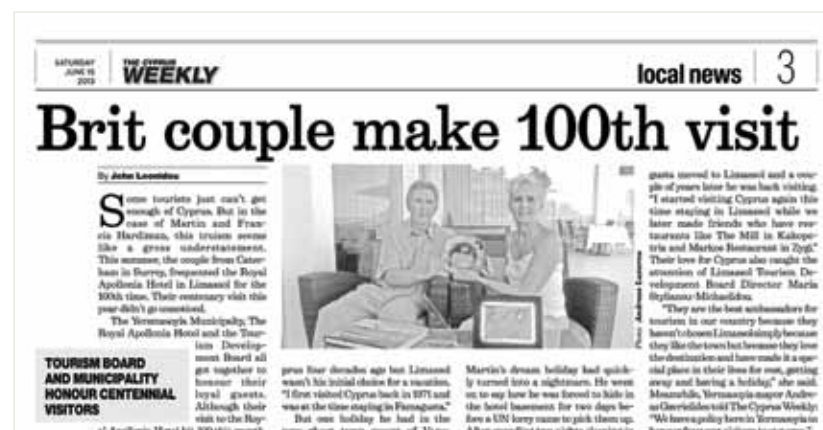

The grand opening of The Royal Apollonia was a day to remember – a milestone in the long history of the hotel, which was the trailblazer for 5-star tourism in Limassol, Cyprus.

After months of extensive renovations that produced a full transformation, the new property was inaugurated by the President of the Republic of Cyprus, Mr Nicos Anastasiades, with a blessing by the Bishop of Neapolis, representing the Archbishop of Cyprus.

Mr Costakis Loizou (left), Executive Chairman of the Louis Group of Companies, addressed the guests and presented honorary plaques for both the President (right) and the Archbishop, in recognition of their support for the local tourist industry.

100 visits

MARTIN AND FRANCIS HARDIMAN'S 100TH VISIT TO THE ROYAL APOLLONIA THIS YEAR DID NOT GO UNNOTICED. TOGETHER WITH THE HOTEL, THE GERMASOGEIA MUNICIPALITY AND THE LIMASSOL TOURISM DEVELOPMENT BOARD HONoured THE COUPLE FROM THE UK, EMPHASIZING THEIR VALUABLE ROLE AS INDEPENDENT AMBASSADORS FOR CYPRUS AND LOUIS HOTELS IN PARTICULAR.
